Answer 1:

I am using the new Examsoft/Examplify software.

I have read and understand all of the Preliminary Laptop Maintenance steps. If I have any doubts about my laptop’s reliability, I will plan to write my exam. I understand that if my laptop fails during the exam, I will complete my exam in a bluebook. Extra time will not be permitted when attempting to resolve the computer problems during the exam. The Duquesne University School of Law will not provide technical support for computer problems encountered on the day of the exam. After the exam is completed, I understand that an attempt will be made to retrieve any incomplete exam answers from the student’s hard drive.

If the incomplete exam cannot be retrieved within 24 hours the Associate Dean for Academic Affairs and the Law School Registrar, in consultation with the instructor, will determine remedial options, if any.
